## 2018 Summer Skills Camps

University High School Athletics is proud to announce their annual Summer Skills Camp Programs. The University Athletic Department continues to credit much of its athletic success to its strong summer programs. Many of the Trojan athletic teams have captured league and CIF championships. This athletic opportunity comes from a strong commitment by both our athletes and our coaching staff. The camps are designed to teach skills in each sport as well as proper conditioning and strength techniques.

Summer Athletic Skills Camps are open to all University H.S. athletes, are purely recreational and completely voluntary. Daily attendance aids in development but is not required. Participation in the camps is not offered for credit and is not a prerequisite for equal access to participate in athletics during the school year.

**Not all sports offered during the school year run summer programs.**
