

Join the University High School Band and Marching Trojan Regiment

How to join

1. **Sign up for Band** through the music program by visiting our website at UniHigh.org/band. Complete the google form entitled *“Uni Band and Color Guard Sign-ups 2018 – 2019.”*
2. **Register for Concert Band** with your school counselor. Make sure to have a family conversation about joining the music program before the day of sign-ups.
3. **Prepare your audition material** if you would like to audition for a higher ensemble than the Concert Band. If you go to Rancho San Joaquin, South Lake, or Vista Verde Middle Schools, Mr. Heddon will come to your class to do the audition. Check with your director about the date that has been arranged. If you go to another school, please email Mr. Heddon to set up an audition time. **Audition music** can be found in the download section of this website at www.UniHigh.org/band. If you audition into a higher ensemble, Mr. Heddon will fix your schedule for you. You must be enrolled in a band class to also participate in the Marching Trojan Regiment.
4. **Turn in your Marching Trojan Regiment Camp forms** immediately to confirm your spot in the marching band. Mr. Heddon needs to have the “University High School Marching Trojan Regiment Camp” form and the “Uni Band Sign-ups 2018 – 2019” google form by June 1st.
5. **Turn in your donation with your forms!** We ask for a \$250 donation from each member to fund the Marching Trojan Regiment season. You will receive a tax deduction letter to include with your taxes, as we are a non-profit organization. Make Checks payable to ‘UHS Band Aides’ and please write the student name on the memo line.
6. **Attend the University High School Marching Trojan Regiment Camp.** The camp will take place from August 6th through 10th and 13th through 17th from 8:00 a.m. to 3:30 p.m. We will be learning music and marching maneuvers for our fall competitive field show and the songs we will be playing in the stands at football games. This is a mandatory event for all Marching Trojan Regiment members, so mark your calendars now!

If you have any questions, please email Mr. Heddon, the University High School Instrumental Music Director, at CoreyHeddon@iusd.org. Be sure to check the Uni Band Program website for current information about band camp and visit the “Future Member” section – www.UniHigh.org/band

Things to Consider

1. **We're not just teaching music** - Our priority is teaching ideals about teamwork, responsibility, hard work, and selflessness. The bi-product of teaching these ideals is a great band program.
2. **We do a lot of fun things** – From beach bonfires and Galaxy Bowl events, to the spring trips we take (Hawaii 2009, Bahamas/Disney World 2011, Hawaii 2013, Bahamas/Disney World 2015, Hawaii 2018), we know how to have a good time. You will make a lot of friends, be proud of your accomplishments in the band, and have a good time in the process. Don't miss out on the fun.
3. **Our students are the best** – We have proof! Band students take the same amount of academic classes that non band students take. We have students who get into top Ivy League schools. We have students who get perfect scores on their SAT tests. You can be a great student and be in band and marching band.
4. **Universities like to see well rounded students.** Showing a university that you know how to be part of a team and understand what it means to be committed to something for four years is very important.
5. **Band and Marching Band** - You must be enrolled in a band class to also participate in the Marching Trojan Regiment. If you are in the Marching Trojan Regiment you do not have to take P.E. While you do not HAVE to be in the Marching Trojan Regiment, it really gives students the complete experience. You are going to LOVE this ensemble.
6. **Anyone can join!** Marching band is a place to learn. All skill levels accepted!

7. **Sports!** – You can be in any sport and still play in band. If you play a winter or spring sport, you can still be in the Marching Trojan Regiment with no conflict at all. You can play in a fall sport and the marching band, but will need to make some sacrifices since they practice at the same time.

8. **Marching Band Rehearsals** take place during zero period, which begins at 7:00 am. There will be one long rehearsal a week on Wednesdays from 2:30 to 5:30. This new schedule allows students much more time to focus on their studies.
9. **Interested in trying a new instrument?** We are in need of more double reeds (oboe and bassoon) and low brass players. Let Mr. Heddon know if you're interested.
10. **Talent** – If you do not play a band instrument we will teach you how to play. If you play a string instrument or have played the piano in the past, we can teach you what you need to know in order to be a successful member of the band. Even if you have never had any music training you can still be involved.
11. **Communicate** – We must know whether you will be joining or not by June 1st. Make sure that you follow the steps below to ensure that you have a spot in this amazing ensemble.
12. **Orchestra Students** - If you are enrolled in orchestra at Uni, you are now eligible to participate in marching band. You may need to provide your own instrument and learn the basics over the summer before band camp, but we can help you learn from the older members in your section. See Mr. Heddon for more details.

Percussion Information

We provide a well-rounded percussion education at University High School. Our percussion program consists of 4 areas: Concert Percussion, Solo/Ensemble Percussion, World Percussion, and Drumline. Since drumline must perform at a high level before school begins, we focus on teaching the techniques associated with drumline and assigning parts to that ensemble during April and May for the following school year. If you plan to be a part of our drumline and/or audition for a higher ensemble than Concert Band, you must attend the Spring Clinics.

Audition Clinics are the time to get to know the instructors and learn how the percussion instruments and section work at University High School. Attending as many of these as possible is the best way to get in to the section (snare, tenors, bass, pit) you desire for drumline. This will also act as your ensemble placement audition for the band classes. Positions will be filled based on skills AS WELL AS attitude.

Summer Rehearsal Dates are the time where the real magic of the drumline begins. The group builds its identity as a unit and learns how to work together to make the best possible musical and educational experience for all of the members. These rehearsals are mandatory. If you have a conflict, check with the instructors to see if your absence will exclude you from participating.
