

ALL SOPHOMORES ARE ENCOURAGED TO REGISTER

# PACT

## 2017

The PACT is a standardized test that provides firsthand practice for the ACT. Colleges weigh results from the ACT and SAT equally. Although the SAT is more popular, many students don't realize they may get better scores on the ACT depending on their academic strengths. Taking the PACT is the best way to try it out. Feedback students receive will also be used in their Sophomore Counseling Meeting.

**Saturday, October 14th, 2017**
